

TRACKING BUHARI'S PROMISES

100 DAYS IN OFFICE

The promises of the Buhari campaign covered 24 areas, from Accountability in Public Service to Youth Development, and these are drawn from his manifesto. The specific promises, 170 in total, are given a score from 0 to 10. The totals are added up to give the overall score for the administration thus far.

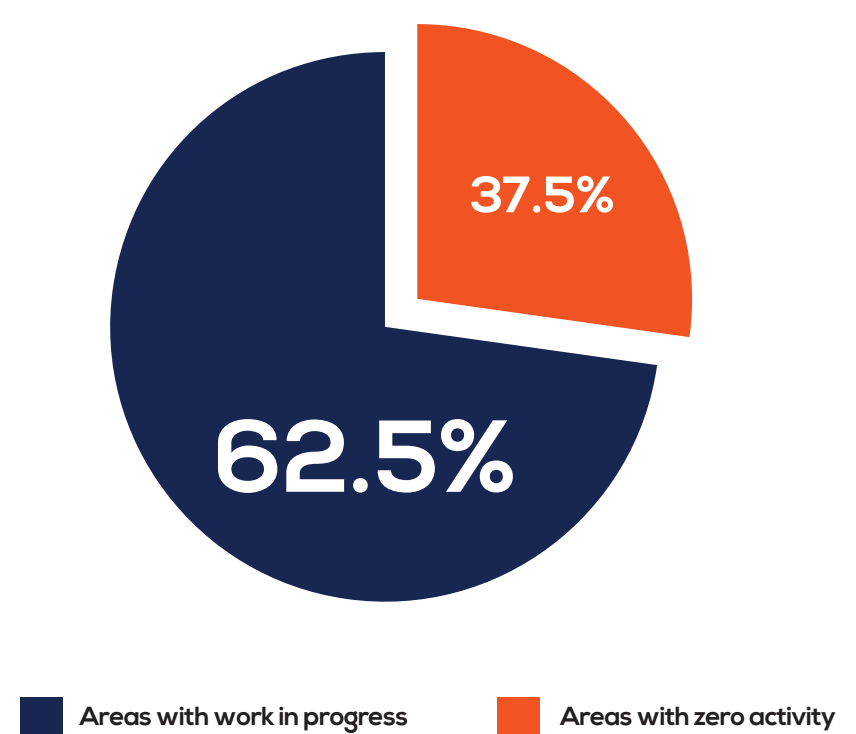

In a good number of the areas where there has been little or no activity, the necessary framework is hinged on regulatory work of the National Assembly.
